

Tenure Track Faculty Position in Physical Therapy and Kinesiology

Job Description:

The Department of Physical Therapy and Kinesiology at the University of Massachusetts Lowell seeks a full-time tenure-track faculty member with a research program in physical therapy, exercise science, or a kinesiology related area. The candidate will be appointed at the Assistant, or Associate level, depending upon qualifications. A full description of this position can be found: <http://explorejobs.uml.edu/lowell/en-us/job/495865/tenuretrack-faculty-in-physical-therapykinesiology>

Job Functions:

The candidate will work with internal collaborators in the Zuckerberg College of Health Sciences, with faculty in other colleges at UMass Lowell, with community partners, and with external academic or industry collaborators to strengthen current research and build new interdisciplinary research areas consistent with departmental priorities. The Department invites applicants who have a successful track record or show significant potential to procure extramural funding to support their research program(s). Topic areas of interest include, but are not limited to: rehabilitation sciences, digital health, movement sciences, cardiopulmonary sciences, biosensors, and robotics.
