

Position: Director of Brain Injury Program

Job Description: The Burke Rehabilitation Hospital is seeking a Director of the Brain Injury Program. The position will involve joining the Medical Staff of the Burke Rehabilitation Hospital with a commensurate academic appointment at the Weill Cornell Medical College of Cornell University. The Burke Rehabilitation Hospital is a free standing 150 bed rehabilitation hospital in White Plains, New York specializing in brain injury, stroke, spinal cord injury, orthopedic and cardiopulmonary rehabilitation. Candidates should have board certification in Neurology or Physical Medicine and Rehabilitation and be able to obtain medical licensure in the State of New York.

Job Functions: Responsibilities will include managing a 15-bed inpatient brain injury unit as well as establishing an outpatient program for brain injury. Individuals with a strong academic background and interests in clinical research are encouraged to apply. Interested candidates should submit curriculum vitae and cover letter to: Annette Bucci Sr. Administrator, Human Resources 785 Mamaroneck Ave White Plains, NY 10605 or Via Email to neurosearch@burke.org
